

## Annual Wellness Policy Evaluation Form

The purpose of this evaluation is to determine if the District is meeting the wellness goals set forth in the BUSD Wellness Policy and to determine particular areas of strength or weakness. Each year a report of the results will be compiled and submitted for Board to review. The evaluation will be completed annually by an Administrator, a teacher and the PTA president (or designee) at each school site and returned to the Superintendent or designee by May 1<sup>st</sup> of each year.

For items marked “Needs Improvement”, you must include a comment next to each question as to why you did not meet this goal and/or what you plan to do next year to accomplish this goal. (Examples: funding, man power, support/resources needed, etc.).
